

## Teacher Recommendation Form for AP Candidates

To be completed and submitted by the teacher

You are being asked to complete this form because you taught, or are currently teaching, a student who is interested in registering for an Advanced Placement course. When completing this checklist, please be as honest as possible in your assessment of the student's performance in your particular class. Your responses are confidential! Please return this form to Student Services who will then pass the form along to the appropriate AP teacher. Forms are due by the last school day in March. A student will not be permitted to register for the AP course(s) until this recommendation is received. Thank you so much for your assistance!
